Exercise 2-5 The table challenge

Complete the following tasks in table_template.html. When you finished all the four tables and send the file to me.

Exercise 2-5(1): Making a simple table

Open table_template.html and add the following table to the table.(Note that I've add a 1-pixel border around cells with a style rule just to make the structure clear.)

| Album	Year
Rubber Soul	1968
Revolver	1966
Sgt. Pepper's	1967
The White Album	1968
Abbey Road	1969

Exercise 2-5(2): Column spans

Try writing the markup for the following table

7:00pm	7:30pm	8:00pm
The Sunday Night Movie		
Perry Mason	Candid Camera	What's My Line
Bonanza	The Wackiest Ship in the Army	

Exercise 2-5(3): Row spans

Try writing the markup for the following table

apples		pears
bananas	oranges	pineapple
lychees		

2.5 Exercise(4) : The table challenge

Now it's time to put together the table writing skills you've acquired in this chapter. Your challenge is to write out the source document for the following table

<div align="center">Your Content Here</div>

	A common header for two subheads		Header 3
	Header 1	Header 2	
Thing A	data A1	data A2	data A3
Thing B	data B1	data B2	data B3
Thing C	data C1	data C2	data C3
